Who Should File M2X?

This form should be filed by fiduciaries to correct—or amend—an original 2012 Minnesota fiduciary return.

Federal return adjustments. If the Internal Revenue Service (IRS) changes or audits your federal return or you amend your federal return and it affects your Minnesota return or distributions to beneficiaries, you have 180 days to file an amended Minnesota return. If you are filing Form M2X based on an IRS adjustment, be sure to check the box in the heading and attach to your Form M2X a complete copy of your amended federal return or the correction notice you received from the IRS.

If the changes do not affect your Minnesota return or Schedules K-1, you have 180 days to send a letter of explanation to the department. Send your letter and a complete copy of your amended federal return or the correction notice you received from the IRS to: Minnesota Fiduciary Tax, Mail Station 5140, St. Paul, MN 55146-5140.

If you fail to report as required, a 10 percent penalty will be assessed on any additional tax. See line 24 instructions.

Claim for refund. Use Form M2X to make a claim for refund and report changes to your Minnesota liability. If you make a claim for a refund and we do not act on it within six months of the date filed, you may bring an action in the district court or the tax court.

When to File

File Form M2X only after you have filed your original return. You may file Form M2X within 3½ years after the return was due or within one year from the date of an order assessing tax, whichever is later. If you filed your original return under an extension by the extended due date, you have up to 3½ years from the extended due date to file the amended return.

Filing Reminders

The amended return must be signed by the fiduciary or authorized officer of the organization receiving, controlling or managing the income of the estate or trust. The person must also include his or her ID number.

If someone other than the fiduciary prepared the return, the preparer must also sign.

Round amounts to the nearest dollar.

Drop amounts less than 50 cents and increase amounts 50 cents or more to the next higher dollar.

Explanation

On the back of Form M2X, include a detailed explanation of why the original return was incorrect. Providing this information will help us verify the amended amounts.

Use of Information

All information provided on this form is private, except for your Minnesota tax ID number, which is public. Private information cannot be given to others except as provided by state law.

The identity and income information of the beneficiaries are required under state law so the department can determine the beneficiaries' correct Minnesota taxable income and verify if the beneficiaries have filed returns and paid the tax. The Social Security numbers of the beneficiaries are required to be reported on Schedule KF under M.S. 289A.12, subd. 13.

Lines 1–20 and 32–48 Columns A, B, C

Column A: Enter the amounts shown on your original return or as later adjusted by an amended return or audit report.

Column B: Enter the dollar amount of each change as an increase or decrease for each line you are changing. Show all decreases in parentheses. On the back of Form M2X, explain the changes in detail. If the changes involve items requiring supporting information, attach to Form M2X the appropriate schedule, statement or form to verify the corrected amount.

Column C: Enter the corrected amounts after the increases or decreases. If there are no changes, enter the amount from column A.

Line 21

Enter the total of the following tax amounts, whether or not paid:

- amount from line 16 of your original year 2012 or 2011 M2, or line 14 of your year 2010 or earlier original M2,
- amount from line 22 of a 2009 or earlier M2X, line 23 of a 2010 M2X, or line 24 of a 2011 or 2012 M2X, and
- additional tax due as the result of an audit or notice of change.

Do not include any amounts that were paid for penalty, interest or underpayment of estimated tax.

Line 23

Enter the total of the following refund amounts:

- amount from line 21 of your original 2012 or 2011 M2, line 19 of your original 2010 or prior year M2, even if you have not received it,

- refund or reduction in tax from a protest or other type of audit adjustment.

Include any amount that was credited to estimated tax or applied to pay past due taxes.

Do not include any interest that may have been included in the refunds you received.

If the refund amount on your original return was reduced by an additional charge for underpaying estimated tax (2010 or prior year M2, line 17, 2011 or 2012 M2, line 19) add the amount from this line to the amount reflected on the 2010 or prior Form M2, line 19, or 2011 or 2012 Form M2, line 21, when figuring the amount to enter on Form M2X, line 23.

Lines 25 and 30

Lines 25 and 30 should reflect the changes to your tax and/or credits as reported on lines 1 through 20 of Form M2X. If you have unpaid taxes on your original Form M2, this amended return is not intended to show your corrected balance due.

Line 25

in your estimated tax account to pay this amount. Continue with line 26.

Line 26

If only one of the penalties below applies, you must multiply line 25 by 10 percent (.10). If both penalties apply, multiply line 24 by 20 percent (.20). Enter the result on line 26.

- **You failed to report federal changes to the department within 180 days as required.**

Line 28

Interest is calculated as simple interest and accrues on unpaid tax and penalties from the regular due date until it is paid in full. Use the formula below with the appropriate interest rate:

$$\text{Interest} = \text{line 26} \times \text{number of days past the due date} \times \text{interest rate} \div 365$$

If the days fall in more than one calendar year, you must determine the number of days separately for each year.

The interest rate for 2013 is 3 percent.

Penalty will be assessed if the additional tax and interest are not paid with the amended return.

Line 29

You can find your bank's routing number and account number on the bottom of your check.

The **routing number** must have nine digits.

If your account number contains less than 17 digits, enter the number and leave out any hyphens, spaces and symbols.

If the routing or account number is incorrect or is not accepted by your financial institution, your refund will be sent to you in the form of a paper check.

Lines 32–51

If you enter a corrected amount in Column C of lines 32 through 51, you may be required to notify beneficiaries of any adjustments to their income. Report the corrected information on a new Schedule KF, and check the "Amended KF" box toward the top of the schedule.

Signature

The return must be signed by the fiduciary or authorized officer of the organization receiving, controlling or managing the income of the estate or trust. The person must also include his or her ID number.

If someone other than the fiduciary prepared the return, the preparer must also sign. The preparer's ID number and phone number should also be included.
