For dates of death on or after July 1, 1994, and before Jan. 1, 1995, the tax rate imposed on the net value of transfers to or for the use of the surviving spouse is 3 percent [72 P.S. §9116 (a) (1.1) (i)].

For dates of death on or after Jan. 1, 1995, the tax rate imposed on the net value of transfers to or for the use of the surviving spouse is 0 percent [72 P.S. §9116 (a) (1.1) (ii)]. The statute does not exempt a transfer to a surviving spouse from tax, and the statutory requirements for disclosure of assets and filing a tax return are still applicable even if the surviving spouse is the only beneficiary.

For dates of death on or after July 1, 2000, the tax rate imposed on the net value of transfers from a deceased child 21 years of age or younger at death to or for the use of a natural parent, adoptive parent, or stepparent of the child is 0 percent [72 P.S. §9116(a)(1.2)].

The tax rate imposed on the net value of transfers to or for the use of the decedent's lineal beneficiaries is 4.5 percent, except as noted in 72 P.S. §9116 (a)(1.2) [72 P.S. §9116(a)(1)].

The tax rate imposed on the net value of transfers to or for the use of the decedent's siblings is 12 percent [72 P.S. §9116(a)(1.3)]. A sibling is defined under Section 9102 as an individual who has at least one parent in common with the decedent, whether by blood or adoption.
