PURPOSE OF THIS WORKSHEET

Use this worksheet to calculate the amount of the deduction to claim on your general excise tax return to result in an effective tax rate of ½ of 1% for qualifying sales of amusements.

This worksheet is also used to compute the amount of a deduction to remove the gross receipts from wholesale amusements completely from the gross receipts subject to the county surcharge.

SPECIFIC INSTRUCTIONS

Line 1 — Enter the gross income received from providing amusements to a licensed seller where the benefit of the amusement passes to the customer of the licensed seller.

NOTE: The amusements rendered must become an identifiable element of the other service, property, or amusement and cannot constitute overhead (see definition of “overhead”).

Line 3 — Multiply line 1 by line 2. This is the amount of your deduction to enter on your general excise tax return. Enter this amount in Part I of Schedule GE (Form G-45/G-49). Identify this amount as “ED Code 152.”

Also enter this amount as part of the deductions claimed in column b on Forms G-45 or G-49 for the Theater Amusement and Broadcasting activity.

Line 4 — Enter the amount included on line 1 that is assigned to a county with a county surcharge.

Line 6 — Multiply the amount on line 4 by 0.125. Also include this amount in Part I of Schedule GE (Form G-45/G-49), as Activity Code P419 and ED Code 152. Once the county surcharge exemption is entered in Part I of Schedule GE (Form G-45/G-49), this will remove all of the wholesale amusements gross receipts from the gross receipts subject to the county surcharge.
