Instructions

For additional information about use tax, see the [Nebraska Use Tax Information Guide](#).

Who Must File. Every business purchasing taxable property or services over the Internet, by catalog, or within or outside of Nebraska, without payment of Nebraska and local sales tax, must report use tax. **If you do not have any Nebraska and/or local use tax liability for the tax period indicated on this return, you are not required to file this return.**

When to File. This return is due on or before the 20th day of the month following the tax period.

How to File. Use the following to determine which form to file.

- Businesses licensed to collect sales tax should file a [Nebraska and Local Sales and Use Tax Return, Form 10](#), to report both sales and use taxes. Businesses may become licensed to collect sales tax by filing a [Nebraska Tax Application, Form 20](#).
- Businesses not filing Form 10 must file a Nebraska and Local Business Use Tax Return, Form 2, to report use tax on purchases where the Nebraska and local sales taxes were not paid.
- Individuals report use tax on the [Nebraska and Local Individual Use Tax Return, Form 3](#), or may report use tax when they file their [Nebraska Individual Income Tax Return, Form 1040N](#).
- Only in the situation where an individual has a use tax liability AND is claiming a credit for tax properly paid to another state should the Form 2 be filed.

Transactions Subject to Use Tax. Use tax is due on all taxable purchases when Nebraska and any applicable local sales tax is not paid. Use tax is due on your cost of property or taxable services. Some examples include:

- Purchase of property (for example, uniforms, magazines, computers, software) from a retailer;
- Purchase of taxable services (for example, repair or installation labor on tangible personal property, pest control, building cleaning, motor vehicle towing) from a retailer;
- Purchase of property from outside Nebraska, brought to Nebraska for use or storage;
- An Option 2 contractor that has building materials and fixtures brought into or delivered into Nebraska on which no Nebraska or applicable local sales taxes were paid. When building materials and fixtures are delivered by a supplier to the job site, they are taxed at the rate in effect at the job site.
- Property withdrawn from inventory for use or to be donated; and
- Taxable services purchased and then donated.

Retention of Records. Records to substantiate this return must be retained for at least three years following the date of filing or due date of the return, whichever is later.

Penalty and Interest. A penalty may be assessed for failure to timely file a return, or for failing to timely pay all tax when due. Interest on the unpaid tax will be assessed from the due date until payment is received.

Specific Instructions

Line 1. The amount subject to use tax is the total cost of all taxable property and services purchased (including charges for delivery, freight, and shipping, paid to the retailer) on which Nebraska and local sales taxes were not paid or were not paid at the correct rate.

Local Use Tax Table. Local use tax is due if the property purchased is delivered in a jurisdiction with local use tax, and you have not paid the local sales tax. [Click here for current city or county codes and rates](#).

Enter in Column A the total cost of property that was delivered within the boundaries of each local taxing jurisdiction where local sales tax was not paid. Multiply each amount by the local jurisdiction's tax rate and enter the result in Column B.

Examples:

City or County	Local Code	Local Tax Rate	Column A Amount Subject to Local Use Tax	Column B Local Use Tax (Rate x Column A)
Omaha	1-365	.015	600.00	9.00
Sidney	7-441	.020	500.00	10.00
Wausa	123-514	.010	300.00	3.00
Dakota County	134-922	.005	100.00	0.50

Line 5. A credit for tax properly paid in another state will be allowed on property that is subject to Nebraska use tax. The credit must be applied to each item's Nebraska and local use tax due. The credit allowed for each item cannot exceed the total Nebraska and local use tax due on that item.

Line 8. All filers are encouraged to make payments electronically. Do not send a check if you are mandated to pay electronically. Those not mandated may attach a check or money order for the amount on line 8, made payable to the Nebraska Department of Revenue.

Authorized Signature. This return must be signed by the owner, partner, corporate officer, member of a limited liability company, or individual. If the taxpayer authorizes another person to sign this return, there must be a [power of attorney](#) on file with the Nebraska Department of Revenue.

Any person who is paid for preparing a taxpayer's return must also sign the return as preparer.
