FILING REQUIREMENTS

Code of Virginia §58.1-900 et seq. imposes the estate tax on estates of decedents whose date of death occurred from January 1, 2005 through June 30, 2007 in an amount equal to the maximum amount of the credit for state death taxes allowable under Section 2011 of the Internal Revenue Code as it existed on January 1, 1978. The Virginia estate tax requirements have been repealed for decedents whose date of death occurred on or after July 1, 2007. If a federal return is required to be filed for a decedent whose

NEW FEDERAL DEDUCTION

Effective for decedents dying on and after January 1, 2005, federal law allows estates to deduct the inheritance and estate taxes paid to the states. Because the Virginia estate tax will reduce the federal taxable estate, which is the starting point for calculating Virginia tax,

it will be necessary to use simultaneous equations to calculate the Virginia tax. Additional information is available on the Department of Taxation website to assist you in calculating Virginia tax. See www.tax.virginia.gov.

PENALTY AND INTEREST

The penalty for late payment of the tax is 5% of the tax due on Line 13 of the return. There is no penalty for late filing. Interest is accrued on the tax owed, from the due date through the date the tax is paid.

In accordance with § 58.1-15 of the Code of Virginia, interest is assessed at the federal underpayment rate established by the Internal Revenue Service, plus 2%.

EXTENSIONS

Virginia law allows an extension of time for filing Form EST-80 and/or paying the tax due only if a federal extension has been granted. The Department of Taxation accepts any extension granted by the Internal Revenue Service, as long as a true copy of the approved federal extension is attached to the Virginia return when filed. If a federal extension is requested for filing only, the Virginia tax is still due to be paid within nine months from the date of death. To pay the tax (estimated payment), use Form EST-80, check Box F and enter

amount of tax on line 15, leave lines 1-14 blank. If the tax is not paid by the due date, penalty and interest will be assessed. Estates requesting a payment extension under Internal Revenue Code §6166 must attach a copy of the letter requesting such extension and check Box H on page 1. Interest on the Virginia Estate Tax under this extension will NOT be reduced to correspond with the Internal Revenue Service reductions.

AMENDED RETURNS

If filing an amended return to report changes to the original return, check Box D and attach a copy of the amended Federal Form 706. If this return is requesting a refund, include federal acceptance. To

file an amended return due to a federal change, check Box E and attach a copy of the federal audit.

IMPORTANT

A COPY OF THE FEDERAL ESTATE TAX RETURN, FORM 706 MUST BE FILED WITH THIS RETURN. Be sure to include all schedules and continuation pages, approved payment extensions and/or a copy of the letter to the IRS requesting an extension under

Section 6166 of the Internal Revenue Code. Do not include a copy of the will or copies of real and personal property appraisals. This information will be requested if needed.
