Colorado Sales Tax and Withholding Account Application

CR 0100AP

General Information

The CR 0100AP is used to open a sales tax, W-2 withholding, 1099 withholding or an oil/gas withholding account or to add an additional location to an existing account. Please complete all areas of the sections indicated below for the account type(s) you need. Colorado Department of Revenue (DOR) forms and publications referenced in this document are available on the DOR taxation website at Tax.Colorado.gov.

- To apply for a state sales tax license, complete sections A, B, C, E, F and G.
- To apply for a withholding account, complete sections A, B, D, E, F and G. If you require both licenses, complete all sections.
- To electronically open an account, go to MyBiz Colorado at mybiz.Colorado.gov

Refer to the following definitions.

- **W-2 Withholding.** Employers are required to withhold state income tax from all employees in Colorado.
- **1099 Withholding.** Payers who withhold tax on Colorado income reported on 1099 forms. (example: contract labor)
- **Oil and Gas Withholding.** Every producer of crude oil, natural gas or oil shale shall withhold one percent from the amount owed to any person owning a working interest, a royalty interest, a production payment or any interest in carbon dioxide or oil and gas production in Colorado. No withholding is required from payments made to Colorado or the U.S. Government (see Department of Revenue publication FYI Withholding 4).
- **Trade Names are registered with the Colorado Secretary of State.** A trade name is not required to obtain a tax account.
- **State Sales Tax License.** A state sales tax license is required for any person that sells tangible personal property regardless of whether selling retail or wholesale. A license is not required for persons engaged exclusively in the business of selling commodities or services which are exempt from taxation.
- **State and Local Sales.** Colorado has a 2.9 percent sales tax. Additionally, many cities and counties impose their own local sales tax on purchases and transactions within their boundaries. There are also special district taxes that apply in certain boundaries.

For a complete listing of all applicable tax rates and exemption information, please see "Colorado Sales/Use Tax Rates" DR 1002 on our website at Tax.Colorado.gov. The DR 1002 is revised in January and July each year.

You may also visit Colorado.gov/RevenueOnline to find tax rates by city, county and business account number through Revenue Online.

Due to the complexities surrounding the laws on the collection and remittance of sales/use tax in Colorado, it is recommended that you attend a live class or take an online tax class offered by the department after opening

your business and/or obtaining a sales tax license. Visit Colorado.gov/pacific/tax/education for class schedule and registration.
