Agreement

We are a direct selling company and have direct sellers in Minnesota for whom we wish to collect the Minnesota sales tax. By signing this affidavit, we agree to:

- collect, report and remit sales tax using our Minnesota tax ID number for our Minnesota direct sellers who are not registered to collect and remit Minnesota sales tax.
- collect the tax based on the actual selling price paid by the final purchaser of the items, or on the suggested retail selling price if the actual selling price is not known.
- include all applicable state and local sales taxes in the tax collected.
- compute the sales tax for each direct seller at the rate applicable to the location where the items are shipped, as described in Sales Tax Fact Sheet #168, *Direct Selling Companies*.

We understand that this agreement may be revoked by the State of Minnesota or our company without a need to show cause. If this agreement is revoked for any reason, we agree to inform our Minnesota direct sellers in writing of their obligation to obtain their own Minnesota tax ID number.

This agreement supersedes any prior direct selling company agreements we may have with the Minnesota Department of Revenue.
