Purpose of Form

Form 6240 is used to accompany a payment made by check for an estimated tax payment, a payment with extension of time to file, or the payment of an assessment by the Department of Revenue (DOR). This form may also be used for a payment made by Electronic Funds Transfer (EFT) or by wire transfer.

Form 6240 is not an extension form. Submitting a voucher without payment does not constitute an extension for Alaska. The DOR automatically follows the federal Form 7004 if attached to the return when filed.

Electronic Payment

Taxpayers are encouraged to pay taxes electronically by using Revenue Online at www.tax.alaska.gov. A taxpayer may also print out a voucher using Revenue Online.

When a payment with an extension is \$150,000 or greater or any other payment is \$100,000 or greater, payment must be made by EFT or wire transfer. See Alaska Regulation 15 AAC 05.310. Failure to remit electronically, when required to do so, is subject to penalty under IRC Sec. 6656.
