You must complete the Health Care Penalty Worksheet to determine your penalty amount before completing this section.

You may have grounds to appeal if you were unable to obtain affordable insurance that met the minimum creditable coverage requirements in 2024 due to a hardship or other circumstances. The grounds for appeal are explained in more detail in the instructions. If you believe you have grounds for appealing the penalty, fill in the oval(s) below. The appeal will be heard by the Massachusetts Health Connector. By filling in the oval below, you (or your spouse if married filing jointly) are authorizing DOR to share information from your tax return, including this schedule, with the Massachusetts Health Connector for purposes of deciding your appeal.

Important information if you are filing an appeal:

You will receive a follow-up letter asking you to state your grounds for appeal in writing, and submit supporting documentation. Failure to respond to that letter within the time specified in the letter will lead to dismissal of your appeal and will result in a future assessment of a penalty.

Once your documentation is received, it will be reviewed by the Massachusetts Health Connector and you may be required to attend a hearing on your case. You will be required to file your claims under the pains and penalties of perjury.

Note: If you are filing an appeal, make sure you have calculated the penalty amount that you are appealing, but do not assess yourself or enter a penalty amount on your Form 1 or Form 1-NR/PY. Also, do not include any hardship documentation with this return. You will be required to submit substantiating hardship documentation at a later date during the appeal process.
