2024 Form IG260 Instructions

For insurance tax laws, see Minnesota Statutes, Chapter 297I at www.leg.state.mn.us.

All surplus lines brokers that write or are authorized to write nonadmitted insurance must file Form IG260, Semiannual Statement of Surplus Lines Insurance, even if there is no activity or tax liability to report during the period. (M.S. 297I.05, subd. 7).

Filing Requirement

Effective July 21, 2011, the Nonadmitted and Reinsurance Reform Act of 2010 (NRRA) permits only the insured's home state to require the payment of premium tax for nonadmitted insurance.

When Minnesota is the home state of the insured, as provided under M.S. 297I.05, subd. 7, 100% of the gross premiums are taxable in Minnesota with no allocation of the tax to other states.

"Home state" means the state in which an insured maintains its principal place of business, or in the case of an individual, the individual's principal residence.

However, if 100% of the insured risk is located outside Minnesota, then the insured's home state is the state to which the greatest percentage of the insured's taxable premium for that insurance contract is allocated.

Minnesota Tax ID Required

Surplus lines insurance brokers are required to have their own Minnesota tax ID number. This is not a Social Security number or agency Minnesota tax ID number.

If you don't have a Minnesota tax ID, you can apply online. Go to our website at www.revenue.state.mn.us and click "Register for a Minnesota tax ID number" on the e-Services menu. *Note:* During the process, be sure to select "Sole proprietor" as the type of legal organization. Use NAICS classification number 524210.

If you don't have access to the Internet, call 651-282-5225 or 1-800-657-3605 to register by phone.

Due Dates

File Form IG260 with all required attachments and pay any tax due by:

- Aug. 15 (for the six-month period ending June 30)
- Feb. 15 of the following year (for the six-month period ending Dec. 31)

This form must be filed even if no tax is due for the period.

The U.S. postmark date, or date recorded or marked by a designated delivery service, is considered the filing date (private postage meter marks are not valid). When the due date falls on a Saturday, Sunday or legal holiday, returns and payments electronically made or postmarked on the next business day are considered timely. When a return or payment is late, the date it is received at the Department of Revenue is treated as the date filed or paid.

Extension for Filing Return. If good cause exists, you may request a filing extension.

Rules for Using Spreadsheets

If you are using your own spreadsheet, you must include all the information and in the same format as on page 2 of Form IG260, including subtotals on each page. Your filing will not be considered complete if all information, including subtotals, is not included.

If you have more than two pages of surplus lines insurance, submit an electronic file in addition to the printout. The files must be in a Microsoft Excel format.

Payments

Electronic Payments

If your total insurance taxes and surcharges for the last 12-month period ending June 30 is \$10,000 or more, you are required to pay your tax electronically in all subsequent years.

You must also pay electronically if you're required to pay *any* Minnesota business tax electronically, such as sales or withholding tax.

To pay electronically, go to the department's website at www.revenue.state.mn.us and log in to e-Services. You'll need your user name, password, bank routing, and account numbers. When paying electronically, you must use an account not associated with any foreign banks.

If you use other electronic payment methods, such as ACH credit method or Fed Wire, instructions are available on our website or by calling Business Registration Office at 651-282-5225 or 1-800-657-3605.

Submit separate payments for each return.

2024 Form IG260 Instructions (continued)

Check Payments

If you are not required to pay electronically and you choose to pay by check, you must mail a personalized payment voucher along with your estimated tax payment to help ensure the payment is credited correctly. Go to www.revenue.state.mn.us and select **Make a Payment**. Select **Check or Money Order**. Use the **Payment Voucher System** to create a voucher.

When you pay by check, your check authorizes us to make a one-time electronic fund transfer from your account. You will not receive your canceled check.

Note: If no amount is due or if you pay electronically, do not send in a voucher.

Continued

2024 Form IG260 Instructions (continued)

Late Filing. Add a late filing penalty to the late payment penalty if your return is not filed by the due date. The penalty is 5% of the unpaid tax. When added to the late payment penalty, the maximum combined penalty is 20%.

Payment Method. If you are required to pay electronically and do not, an additional 5% penalty applies to payments not made electronically, even if a paper check is sent on time.

Line 9 — Interest

You must pay interest on the unpaid tax plus penalty from the due date until the total is paid. The interest rate for calendar year 2024 is 8%. The interest rate may change for future years.

To figure how much interest you owe, use the following formula with the appropriate interest rate:

$$\text{Interest} = (\text{tax} + \text{penalty}) \times \# \text{ of days late} \times \text{interest rate} \div 365$$
