INSTRUCTIONS

Who Must Pay Estimated Tax

Every taxpayer required to file an Interest and Dividends Tax Return must also make estimated Interest and Dividends Tax payments for its subsequent taxable period, unless the annual estimated tax for the subsequent taxable period is less than \$500. See "Exceptions to the Underpayment of Estimated Tax Penalty" below.

Note: For taxable periods ending on or after December 31, 2013, interest and dividends income shall be taxed as follows:

- Income received by estates held by trustees treated as grantor trusts under Section 671 of the United States Internal Revenue Code shall be included in the return of their grantor, to the extent that the grantor is an inhabitant or resident of New Hampshire.
- Income reported by, and taxed federally as interest or dividends to, a trust beneficiary shall be included as interest or dividends in the return of such beneficiary, to the extent that the beneficiary is an inhabitant or resident of New Hampshire with respect to distributions from a trust not treated as a grantor trust under 671 of the United States Internal Revenue Code.

Where to Make Payments

Make estimated tax payments online at Granite Tax Connect www.revenue.nh.gov/gtc or mail to NH DRA, PO Box 1265, Concord NH 03302-1265.

When to Make Payments Note: If the 15th falls on a Saturday, Sunday, or legal holiday, the estimated tax payment is due on the next business day.

Payment of Estimated Tax

Estimated tax may be paid in full with the initial declaration, or in installments on the required due dates. If paying in full, only one payment form is required. By utilizing Granite Tax Connect at www.revenue.nh.gov/gtc, you may authorize the Department of Revenue Administration (DRA) to automatically withdraw estimate payments from your account electronically. Simply specify each date for which you would like a payment to be withdrawn from your account and each payment will be withdrawn on those dates.

Joint filers: Enter the primary taxpayer and spousal information in the same order on all tax documents to avoid delays in processing.

Underpayment of Estimated Tax Penalty

A penalty may be imposed pursuant to RSA 21-J:32 for any underpayment of estimated tax if the payments are less than 90% of the current tax period's tax liability. If estimate payments are not made by the statutory due date, even if 90% of the tax is eventually paid, an underpayment penalty may be assessed. If an estimated payment is missed, send the payment as soon as possible to reduce any penalty. **This penalty will not be imposed if any of the statutory exceptions are met.**

Exceptions to the Underpayment of Estimated Tax Penalty

The underpayment of estimated tax penalty shall not apply if you meet one of the exceptions provided in RSA 21-J:32. Use Form DP 2210/2220 to determine whether you have met one of the exceptions, or to compute the amount of the penalty associated with the underpayment of estimated tax. This form may be obtained from our website at www.revenue.nh.gov or by calling the Forms Line at (603) 230-5001.

Mandatory Electronic Payments

RSA 21-J:3, XXI requires taxpayers who had a tax liability in the prior tax year of \$100,000 or more to make payment electronically. Pursuant to RSA 21-J:33, III, a failure to comply with the electronic payment requirements under RSA 21-J:3, XXI, will result in a penalty equal to 5% of the amount of tax due not to exceed \$5,000. This penalty is in addition to any other penalty that may be applicable and shall be assessed, collected, and paid in the same manner as taxes. The penalty in this paragraph shall not apply if failure to pay electronically was due to reasonable cause and not willful neglect of the taxpayer.
