We, the qualified heirs, understand ORS 118.140 requires the following conditions be met:

- 1. The qualified heir must use the property as a natural resource property or commercial fishing business property for which a credit is elected for at least five out of eight calendar years following the decedent's death to qualify for the credit.
- 2. The heir who inherits the natural resource property will file the Form OR-NRC-CERT, *Annual Certification for Oregon Natural Resource Credit*, with the department each year, due on April 15th. With the annual certification form the heir certifies continued qualified use of the property according to ORS 118.140.
- 3. During the five out of eight calendar years required use period, described in number 1 above, the qualified heir may transfer the natural resource or commercial fishing business property to another qualified heir who is eligible for the credit. Upon transfer of property to a qualified heir, file Form OR-706-R; transfer to a qualified heir generally results in no additional tax, however the OR-706-R is required to be filed for reporting purposes.
- 4. If the heir doesn't use the property as a natural resource or commercial fishing business property for five out of eight calendar years following the decedent's death, or the heir disposes of the property, an additional tax under ORS 118.005 to 118.540 may be due from the heir.
 - a. The additional tax liability will be the amount of additional tax that would have been imposed had the disqualified property value not been included in the natural resource credit calculation multiplied by [(five minus the number of years the property was used as natural resource property) divided by five].
 - b. Form OR-706-R, will be required from the heir and the additional estate transfer tax paid within six months after the disqualifying event occurs.
- 5. The estate may not claim both the ORS 118.140 tax credit and the ORS 118.145 exemption.

The signature of each qualified heir, or each trustee of a trust, is required for a valid election:
