### How to File Your Return and Submit Payment

The Rhode Island Division of Taxation has an electronic mandate that requires Larger Business Registrants use electronic means to file returns and remit taxes beginning on January 1, 2023.

A "larger business registrant" is defined as any person who:  
 1) Operates as a business whose combined annual liability for all taxes administered by the Division of Taxation for the entity is or exceeds \$5,000; or  
 2) Operated as a business whose annual gross income is over \$100,000 for the entity.

If you meet either of the above criteria you are required to file returns and remit taxes electronically.

Visit the RI Division of Taxation's website for additional information.

Taxation's portal website: <https://taxportal.ri.gov/>

In order to file your return and/or remit your payment through the portal, you will need a portal account and a PIN number. If you do not have both of those required items already, be sure to timely create your portal account and/or request a PIN number so that you are set up and ready to file your return and/or remit your payment by the due date. You do not need a portal account to request a PIN number.
